Milestones and Recommended Actions - CSC:

- **Consider Summer Courses:** Summer courses at CSC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at CSC:** Consider a campus tour of Northeastern State University and connect with a NSU academic advisor, to ensure you are on track to transfer. Your CSC academic advisor can assist in planning these actions.
- **During Year Two at CSC:** After semester three coursework, apply for admission at Northeastern State University as a transfer student (<https://apply.nsuok.edu/>).
- **Final Semester at CSC:** Congratulations you are about to earn your Associate degree. Be sure to apply for graduation.
- **Transcripts:** submit official CSC transcript to NSU.
- **Reverse Transfer:** If you have not earned an Associate in Arts or an Associate in Science from CSC, and have completed 60 credit hours, with 15 of those hours completed at CSC, check to see if you qualify for a degree through the Reverse Transfer program.
- Additional CSC milestone/action if needed.

Program Information and Recommended Actions - NSU: In addition to general education and program requirements stated above, additional hours may be needed to satisfy all minimum degree requirements listed below.

- English Proficiency: Components I and II of English proficiency should be met with grades of "C" or better prior to the completion of 60 credit hours.
- A minimum of 124 hours is required. PE activity is limited to four hours. Prior learning credit (CLEP, Advanced Standing, Military Credit, etc) is limited to 30 hours.
- A minimum of 30 hours in residence (from NSU) is required for graduation. PE activity is limited to four hours. Hours in residence exclude zero-level courses and prior learning credit such as CLEP, Advanced Placement, Advanced Standing, Military Credit, etc.
- A minimum of 40 hours of 3000/4000 level courses is required for graduation.
- A minimum of 60 hours from a 4-year school is required for graduation excluding zero level and PE activity courses.
- At least fifty percent of the major requirements must be upper division courses (3000 and 4000 level).
- At least 18 hours or fifty percent of the major, whichever is greater, must be satisfactorily completed at NSU.
- The minimum number of credit hours required in the Liberal Arts and Sciences varies based on the type of degree. B.A.Ed. and B.S.Ed. degrees require at least 40 hours. B.S. degrees require at least 55 hours. Liberal Arts and Sciences (LAS) courses are identified in catalog course descriptions.

Accelerated B.S.Ed. Health and Physical Education to M.S. Health and Sport Science: Health Education IMPORTANT:

- Students admitted to the Accelerated B.S. Health and Human Performance: Fitness Management to M.S. Health and Sport Science: Sport Administration/Management degree program will complete up to 9 hours of graduate level credit to apply toward both the undergraduate and graduate degrees.

- Students may not receive credit toward both the undergraduate and the paired graduate-level course. A student completing an undergraduate course and the paired graduate-level course will only receive credit for one course toward the bachelor's degree.
- A minimum grade of C is required for all 5000 level graduate courses.
- Students who do not follow the approved degree plan may become ineligible to continue in the accelerated degree program.
- Prior to completing the undergraduate degree, if the undergraduate GPA, graduate GPA and/or overall GPA fall below a 3.00, the student becomes ineligible to continue in the ADP.
- Students may withdraw from an approved accelerated degree pathway. Graduate credit hours completed prior to the student withdrawing or becoming ineligible to continue in the ADP apply toward the undergraduate degree only.
