Note to Students: Transfer maps provide a semester-by-semester guide to a university showing how Connors State College courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with Connors State College Student Success Coaches each semester to verify that the courses selected each semester fulfill the degree plan and satisfy the student's educational goals. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major

Milestones and Recommended Actions - CSC:

- **Consider Summer Courses:** Summer courses at CSC can help accelerate your time to transfer and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at CSC:** Consider a campus tour of Northeastern State University and connect with a NSU academic advisor, to ensure you are on track to transfer. Your CSC academic advisor can assist in planning these actions.
- **During Year Two at CSC:** After semester three coursework, apply for admission at Northeastern State University as a transfer student (<https://apply.nsuok.edu/>).
- **Final Semester at CSC:** Congratulations you are about to earn your associate degree. Be sure to apply for graduation.
- **Transcripts:** submit official CSC transcript to NSU.
- **Reverse Transfer:** If you have not earned an Associate in Arts or an Associate in Science from CSC, and have completed 60 credit hours, with 15 of those hours completed at CSC, check to see if you qualify for a degree through the Reverse Transfer program.
