#### Milestones and Recommended Actions - CSC:

- **Consider Summer Courses:** Summer courses at CSC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at CSC:** Consider a campus tour of Northeastern State University and connect with a NSU academic advisor, to ensure you are on track to transfer. Your CSC academic advisor can assist in planning these actions.
- **During Year Two at CSC:** After semester three coursework, apply for admission at Northeastern State University as a transfer student (<https://apply.nsuok.edu/>).
- **Final Semester at CSC:** Congratulations you are about to earn your Associate degree. Be sure to apply for graduation.
- **Transcripts:** submit official CSC transcript to NSU.
- **Reverse Transfer:** If you have not earned an Associate in Arts or an Associate in Science from CSC, and have completed 60 credit hours, with 15 of those hours completed at CSC, check to see if you qualify for a degree through the Reverse Transfer program.

**Program Information and Recommended Actions - NSU:** In addition to general education and program requirements stated above, additional hours may be needed to satisfy all minimum degree requirements listed below.

- Psychology majors are required to select a minor consisting of 18 hours in a discipline other than psychology or a second major
- English Proficiency: Components I and II of English proficiency should be met with grades of "C" or better prior to the completion of 60 credit hours.
- A minimum of 124 hours is required. PE activity is limited to four hours. Prior learning credit (CLEP, Advanced Standing, Military Credit, etc) is limited to 30 hours.
- A minimum of 30 hours in residence (from NSU) is required for graduation. PE activity is limited to four hours. Hours in residence exclude zero-level courses and prior learning credit such as CLEP, Advanced Placement, Advanced Standing, Military Credit, etc.
- A minimum of 60 hours from a 4-year school is required for graduation excluding zero level and PE activity courses.
- The minimum number of credit hours required in the Liberal Arts and Sciences varies based on the type of degree. B.A.Ed. and B.S.Ed. degrees require at least 40 hours. B.S. degrees require at least 55 hours. Liberal Arts and Sciences (LAS) courses are identified in catalog course descriptions.

#### Baccalaureate Degree Information:

- Students must complete 60 of 124 credit hours from a university (four-year school), excluding physical education courses.
- 30 credit hours are required from NSU.
- 40 credit hours must be junior and senior (3000/4000) level courses.
- At least 18 hours or 50% of the major, whichever is greater, must be from NSU; half the major must be upper level (3000/4000).
- English proficient (ENGL 1113 Composition & ENGL 1213 Composition II) with a C or better.
- Computer proficient.
